This new site contains tons of MOEP news including alumni news, house details, a interactive house tour, online calendar of chapter events flash based interface, desktop wallpaper, MOEP screensavers and much more! Alumni, don't forget to view the Alumni Database to ensure your information is correct. Email any updates you have to webmaster@missouriepsilon.com.

Brother Matt Raithel, who made the 2003 site, gave the site a re-design for the new school year after winning a second place award from Phi Delta Theta Internationals this summer. The new site has already enjoyed the success of attaining over 500 hits in its first month of operation and is under review for several other web design awards. Direct inquires about the site to webmaster@missouriepsilon.com.
